### Report:

As per the interests shown by our students, our faculties and Principal decided to conduct the workshop on **Synthesis of Nanomaterials** at our research laboratory named as Bulk and Nanomaterials Research Lab at Dept. of physics during the period from 18-07-2022 to 01-08-2022, organized by Science Association. The course has been conducted for the special aim to develop the research skill and to cultivate the research culture among our students at UG level. This is because; the UG level students do not have the opportunity to work in the research laboratories anywhere. The course has been conducted at totally free of cost, as our students are from rural region and belong to the poor families. One of our faculties, Dr. D. R. Patil had delivered the lectures on the Nanomaterials synthesis during 18-07-2022 to 27-07-2022 and Dr. D. N. Suryawanshi delivered the lectures during 28-07-2022 to 01-08-2022 on the importance of Nanomaterials in the current age, characterizations and their applications in various fields. In all 15 students were participated in the workshop. They got the complete satisfaction during the workshop.
