The College follows the Academic Calendar including for the conduct of CIE.

Every year IQAC prepares the Academic Calendar involving faculty members and various stakeholders. This Calendar adheres to the Academic calendar prepared by KBCNMU University.

All Curricular and Co-Curricular activities are planned out in the Academic Calendar to maintain an effective curricular delivery system.

The final Academic Calendar is shared with College students, faculty members and all others on College website for the facilitation of the stakeholders.

Further, the College fully adheres to the Academic Calendar for Admission Process, Teaching Plan, Actual Teaching Days, vacations, Continuous Internal Evaluation (CIE), University examinations and various co-curricular activities, etc.

A separate Internal Examination Committee looks after CIE. The College fully adheres to the Academic Calendar for the conduction, evaluation and grievance redressal related to CIE. All College Departments periodically organise Unit Tests and Tutorials to ensure effective curriculum implementation as per the Academic Calendar.

Internal Examination schedule is shared with students in advance through Notices, Circulars and Website. All students are informed about Internal Evaluation Mechanisms at the start of every academic year, and include different kinds of evaluation methods, marking scheme, nature of question papers, and marking weightage.

Following reforms are introduced by the College Examination Committee in consultation with IQAC:

After evaluation, Answer Sheets are shown to the students, and their performance is discussed with them to ensure transparency and accountability in evaluation. This is to achieve the best results on the experimental basis.

. If any student remains absent from any college activity, such as sports, competitive examination, Avishkar or medical emergency, the concerned department conducts separate internal tests for them, and the marks are displayed on the Notice Board.

Internal marks are submitted to the University via e-Savidha Portal with utmost care by the Internal Exam Committee. All marks entry is supervised by the concerned subject teacher to ensure zero error and limit grievances in the internal examination marking.

The College has started a full MCQ pattern to conduct internal tests in COVID-19 through online mode in place of descriptive method in all subjects. Before COVID-19, it was descriptive.

The College also encourages students to give seminars using ICT aids, in place of using traditional method.

The College also conducted internal examinations and practice tests in online mode through Google forms, Testmoz during the lockdown period.

The College Examination Committee effectively deploys and monitors continuous evaluation process throughout the year as per the academic calendar.
