Activity Report

Sr.No.	Activity	Activity details
1	Title of Activity	International webinar on "How to Write Scientific Article"
2	Date of Activity	March 03, 2022
3	Name of Resource Person	Dr.Chin-hua chia Department of Applied Physics, National University of Malaysia
4	Coordinator	Dr. D. N. Suryawanshi (HOD)
5	Report	<p>Introduction:</p> <p>I am confident that, many researchers and research scholars across the globe are doing well reputed research in their own fields of interests. Each and every researcher is doing honest efforts to achieve the solutions to the problems raised by the society. However, many of them are having the difficulties in writing the scientific articles, skillfully. As a result of which, many articles are not accepted and published in the well reputed Scopus indexed journals having high impact. This becomes the barrier to reach the innovations and research from one corner to other, around the globe. This is the actual fact of the research scholars as well as the PG students. Then, what we think about the UG students? So, we have arranged the one day international webinar for our research scholars, PG and UG students from our globe. So, it's the need to percolate such technology at the grass route level of the society. This can be achieved only if the large numbers of students are involved in this campaign, irrespective of their UG / PG education. Taking this point in to consideration, the Department of Physics decided to arrange few international webinars.</p> <p>Objectives:</p> <p>The following objectives are to be kept in front of the eyes during the webinars:</p> <ol style="list-style-type: none"> 6. To involve UG students at a totally free of cost, 7. To enable the students to know about the basics of research and innovations, 8. To enable the students to review the work done by any other researcher, 9. To enable the students to write the summary of the work done

ONE DAY NATIONAL WEBINAR ON INTRODUCTION TO FINANCIAL LITERACY

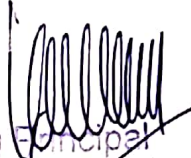

Prof. Dr. S. S. Suryawanshi, Sangli

Introduction:

Financial growth and financial status of the nation must be strong. It will be satisfied if every citizen of our nation must be financially updated. Also, we are experiencing from daily news papers, TV channels, etc. about the frauds and economically cheating of the illiterate persons and even educated persons under the greed through online mode. So, its today's need to aware our staff and students from the online / offline cheating, frauds, sale promotion schemes, gold polish, etc. Taking the concept in mind that, our students and staff should be aware of financial literacy, Prof. S. C. Patil, Department of Economics of our college discussed the college authorities about this webinar and college authorities granted this webinar, immediately. Prof. S. S. Suryawanshi from Sangli has accepted our invitation at totally free of cost and agreed to deliver the lecture on financial literacy on March 28, 2021 at 10 am. She also conducted one online webinar on Financial Management on Nov. 22, 2021 at 10 am, in collaboration with SEBI, Mumbai. Our staff and the students were joined the program onlie and took the very precious guidance from Dr. Suryawanshi.

Coordinator, IQAC
Rani Laxmibai Mahavidyalaya
Parola, Dist. Jalgaon

Acting Principal
Rani Laxmibai Mahavidyalaya,
Parola, Tal. Parola Dist. Jalgaon

Objectives:

The following objectives are to be kept in front of the eyes during the webinars:

1. To update the staff and our UG students about financial management and financial literacy, at totally free of cost,
2. To enable the students to know about the basics of Economics,
3. To enable the students to purchase some goods by considering to save their economy,
4. To enable the students to make awareness from the sale promotion schemes of various shops,
5. To enable the students to participate in National and International Seminar, Conference, Workshop, Avishkar, a research festival organized by our university, etc.

Webinar outcome:

Most of all our students and staff from our institution have participated in the webinar on "Introduction financial literacy and financial management" at free of cost. Students acquired extra skills about the innovative ideas and built the self confidence for the same.

Activity Report

Sr.No.	Activity	Activity details
1	Title of Activity	Webinar on Cyber Crime
2	Date of Activity	13/10/2021
3	Coordinator	Dr.D.R.Patil and Dr.D.N.Suryawanshi
4	Name of Resource Person	Dr.C.B. and Dr. Yogeshchandra <i>sharma</i>
5	Report	One day webinar was held by The department of Physics, Dr.D.R.Patil host this webinar and the resource person Dr.C.B. and Dr. Yogeshchandra gave detailed information on Cyber crime. The most common cyber threats include: Hacking - including of social media and email passwords. Phishing - bogus emails asking for security information and personal details. Cybercrime also called computer crime. The term 'cyber' is an adjective or prefix which means relating to or characteristic of information technology, virtual reality, and computers. If I say that today we live in a 'cyber age,' I mean an age of computers, virtual reality, or information technology. Number of points related to cybercrime is discussed in detailed. Dr.D.N.Suryawanshi Gave their vote of thanks.

Activity Report

Sr.No.	Activity	Activity details
1	Title of Activity	INTRODUCTION OF INNOVATION HUB IN PHYSICS
2	Date of Activity	17/07/2021
3	Name of Resource Person	Prof. Dr. Y. K. Vijay Hon'ble V. C. Vivekananda Global University, Jagatpura, Jaipur, Rajasthan
4	Coordinator	Dr.D.R.Patil
5	Report	<p>Introduction:</p> <p>During teaching - learning of Physics, students did not know the outside track beyond the syllabi, lectures and text books. However, we, being as Physics Teachers, don't believe on the teaching - learning the Physics syllabi, text books, notes, etc. Students should know about some innovative ideas also along with at least the introduction of Indian Physicists. So, we have printed the 24 posters (each of greater than 8 x 6 Sq. ft.) on Indian scientists in Physics, Chemistry, Biology, etc. Also, we have established 10 simple models of Physics education for UG students with the help of Prof. Dr. Y. K. Vijay, Hon'ble V. C. of Vivekananda Global University, Jaipur, Rajasthan and 02 models for research in collaboration with Prof. Shahera S. Patel, S. P. University, Anand, Gujarat. So, we have decided in collaboration with Prof. Dr. Y. K. Vijay, to percolate the ideas about innovations in Physics among our students and to develop the cultivation of science among the UG students. So, we have arranged the one day national webinar for our UG students. Cultivation of Science can be achieved only if the large numbers of students are involved in this campaign, irrespective of their UG / PG education. Taking this point in to consideration, the Department of Physics decided to arrange few national webinars.</p> <p>Objectives:</p> <p>The following objectives are to be kept in front of the eyes during the webinars:</p>

**ONE DAY NATIONAL WEBINAR ON
INTRODUCTION OF INNOVATION HUB IN PHYSICS**

Prof. Dr. Y. K. Vijay, Rajasthan

Introduction:

During teaching - learning of Physics, students did not know the outside track beyond the syllabi, lectures and text books. However, we, being as Physics Teachers, don't believe on the teaching - learning the Physics syllabi, text books, notes, etc. Students should know about some innovative ideas also along with at least the introduction of Indian Physicists. So, we have printed the 24 posters (each of greater than 8 x 6 Sq. ft.) on Indian scientists in Physics, Chemistry, Biology, etc. Also, we have established 10 simple models of Physics education for UG students with the help of Prof. Dr. Y. K. Vijay, Hon'ble V. C. of Vivekananda Global University, Jaipur, Rajasthan and 02 models for research in collaboration with Prof. Shahera S. Patel, S. P. University, Anand, Gujarat. So, we have decided in collaboration with Prof. Dr. Y. K. Vijay, to percolate the ideas about innovations in Physics among our students and to develop the cultivation of science among the UG students. So, we have arranged the one day national webinar for our UG students. Cultivation of Science can be achieved only if the large numbers of students are involved in this campaign, irrespective of their UG / PG education. Taking this point in to consideration, the Department of Physics decided to arrange few national webinars.

Objectives:

The following objectives are to be kept in front of the eyes during the webinars:

1. To involve UG students at a totally free of cost,
2. To enable the students to know about the basics of innovations,
3. To enable the students to build some models from syllabus,
4. To enable the students to make practicing the experiments in a variety of ways,
5. To enable the students to participate in National and International Seminar, Conference, Workshop, Avishkar, a research festival organized by our university, etc.

Webinar outcome:

Most of all our students from our institution those offered Physics have participated in the webinar on "Introduction of Innovation Hub in Physics" and at free of cost. Students acquired extra skills about the innovative ideas and built the self-confidence for the same.

Resource Person: Prof. Dr. Y. K. Vijay
Hon'ble V. C. Vivekananda Global University,
Jagatpura, Jaipur, Rajasthan

Date: July 17, 2021

Time: 10 am to 12 pm

Patron and Inaugurator: Hon'ble Kakasaheb Vasantaoji More

Co-Patron and Chief Guest: Hon'ble Dadasaheb Rohanji More

Convener: Dr. D. R. Patil (Act. Principal)

Co- Convener: Dr. S. B. Bhavsar (Vice Principal)

Co-ordinator: Dr. D. N. Suryawanshi (HOD)
